FOR IMMEDIATE RELEASE

BE: LAB SCHEDULES RESUME WORKSHOPS FOR FALL AT LIBRARY

Resume workshops have been scheduled for the first Thursday of each month beginning in October and running through December at the Southeast Steuben County Library. The dates are Oct. 6, Nov. 3 and Dec. 1 from 1-4 p.m.

The workshop, *Creating an Effective Resume*, will be presented by Lynn Paige of CSS Workforce New York. During the first half of the workshop Page will give resume tips and tools that will help job seekers create a stellar resume. During the second half of the workshop participants will write their own resumes with Page's assistance. Attendees should bring job titles, employers, dates of employment and job descriptions with them to the workshop in order to create (and leave with) a comprehensive resume. Attendees should also bring a flash drive or recordable CD so that they can save their new resume to take home.

Participants may bring their own laptops or they may use a library laptop. Space is limited and sign up is required. Sign up by calling (607)684-0360 or email belab@stls.org.

Funding for Be:Lab is provided through the American Recovery and Reinvestment Act (ARRA) Broadband Technology Opportunities Program (BTOP).
