#### LEARN BASIC USE OF THE IPAD AT THE LIBRARY

The Southeast Steuben County Library will be offering workshops on how to use the Apple Ipad this winter. Participants will learn how the iPad works and how to use preinstalled applications. The workshop will also include a discussion of some additional applications that can be purchased in the iTunes App Store.

It should be noted that this list of workshops is not part of a series. Each workshop contains the same information and stands on its own.

The workshops will be held from 6-7:30 p.m. on Jan. 10, Feb. 23, March 13 and May 3.

Participants can sign up for a workshop or get more information by calling (607) 936-3713 ext. 502.
