#### LET'S GO FLY A KITE! LIBRARY TO HOLD "KITE KLINIC"

There is nothing quite like flying a kite on a beautiful sunny day, unless of course you just built that kite with your own two hands. That's even more fun.

Tweens and teens, ages 10 and older, will have a chance to do just that in the Kite Clinic set for Aug. 21 from 3:30-5:30 p.m. Participants will create their own kites and then, weather permitting, they will fly their creations along the river.

Those interested in participating should sign up in advance by stopping at the Children's Department of the library or by calling (607)936-3713 ext. 503
