CURIOUS GEORGE, WSKG TO VISIT SSC LIBRARY

The Southeast Steuben County Library is pleased to be welcoming Curious George and WSKG for a visit July 1 from 10:30 a.m. to noon as part of the WSKG Raising Readers Program.

Children and families are invited to get their photo taken with Curious George and listen to a special Curious George story.

Following story time participants can try the Curious George-themed activity tables. One table will be STEM-based (Science, Technology, Engineering, and Mathematics) and the other will offer an art activity.

The program will end with a showing of a brand-new episode of Curious George on the library's large movie screen.
