FOR IMMEDIATE RELEASE

AMERICAN DREAM OPEN LAB SERIES SEES SCHEDULE CHANGE AT LIBRARY

Digital literacy open lab sessions for adult learners of English will see several schedule changes in the coming months.

Previously, these open labs were held at 12:30 p.m. and 2:30 p.m. on the second Tuesday of the month.

The new times and dates are 1-3 p.m. on July 9 and Aug. 13.

Dates previously scheduled for Open Labs for September through December are canceled.

During these sessions ESL learners can get assistance with digital literacy skills by trying new hardware and software. In addition to iPads and Windows 8 PCs, learners can also try other tablet models, ereaders and Mac books. This is also a good time to take language lessons using Mango Languages. This software teaches English from 15 different native languages and also offers 40 other languages.

Library ESL programs and Mango Languages are funded by The American Dream grant, which is funded by the Dollar General Foundation and awarded by the American Library Association (ALA) and its Office for Literacy and Outreach Services (OLOS).
