LEARN HOW TO USE MANGO LANGUAGES AT THE SSC LIBRARY

Mango Languages is an online, subscription language program that offers ESL courses in 15 different languages and also offers more than 40 other language courses from Pashto to Pirate and Arabic to Vietnamese for those interested in becoming multilingual.

The Southeast Steuben County Library will be holding two Mango Basics workshops to teach those interested how to use the program. The workshops will be held July 11 and Aug. 8 from 6-7 p.m. Sign up in advance for either program by calling, (607) 936-3713 ext. 502, or email reimerl@stls.org.

Register to use Mango Languages by clicking the Mango logo link on our Website, ssclibrary.org. The program can then be used in the library or on personal computers and some mobile devices. By registering, users can save lesson progress in their own private profiles. There is also an iPhone app for Mango.

The Subscription to Mango Languages was purchased through a generous grant from the Dollar General Literacy Foundation, the American Library Association and its Office for Literacy and Outreach Services (OLOS). The grant will continue funding the American Dream Starts@ Your Library, a literacy initiative for adult English language learners and their families for the next year.

The library is handicapped accessible. If you require special accommodations, please call us in advance: (607) 936-3713.
