IPAD WORKSHOPS OFFERED AT SSC LIBRARY

The iPad is a great tool for both fun and productivity. The Southeast Steuben County Library is going to hold three iPad workshops this spring for those who wish to gain a basic understanding of what they can do with an iPad.

The first workshop will be held April 1 from 6-7 p.m. The second will be held May 7 from 11 a.m. to noon. The third will be held June 3 from 6-7 p.m. These workshops are not in a series. Those interested can attend any or all dates.

Learn to search for and download applications and learn about what different applications can do.

Bring your own iPad or try one of ours.

Sign up by calling (607) 936-3713 ext. 502 or email diglit@stls.org.
