FUN WITH FIBER TO BE HELD AT SSC LIBRARY THIS WEEK

Fun with Fiber is a two-part series that offers those ages 10 and older the opportunity to learn how sheep's wool becomes beautiful yarn.

Join us Thursday April 10 from 3:30-5 p.m. to learn how to comb raw wool. The combed wool, called roving will then be used at the next meeting, Thursday April 24 to create yarn.

At the April 24 meeting attendees will learn to use a drop spindle to spin the roving into yarn for special projects. It is a challenging but satisfying skill to learn.

Sign up is required by calling (607) 936-3713 ext. 503 or email flanagane@stls.org.
