#### LEGO MOVIE MAKER WORKSHOP SERIES SLATED AT SSC LIBRARY

Fans of LEGO will want to be a part of this workshop series. Join us for some big fun Mon. June 30 through Wed. July 2 from 3-5 p.m. when we create LEGO stop-animation films using the LEGO Movie Maker app.

Each completed movie will be about 30 seconds long. Tweens and teens ages 10 and up will work in small groups to make their movies. iPads will be provided for the duration of the project. The provided scripts were written by teens in the library's Torn Page Writers Group.

The completed films will premiere July 5 at 12:15 p.m. on the large screen in the Laura Beer Community Room of the library. They will be shown twice before the Family Movie Matinee, which will be The LEGO Movie. Participants are invited to attend and see their films shown before a live audience.

For more details and to sign up, call (607) 936-3713 ext. 503.
