ITUNES, PORTABLE MUSIC WORKSHOP SLATED AT SSCLIBRARY

I once saw a senior citizen doing water aerobics in a pool while wearing a mini iPod clipped into her hair like a barrette. Her ear buds came down like alien antenna to her ears.

While our digital literacy specialists won't suggest you wear your electronic devices in water, this illustrates the point that music is more portable than ever. And anyone can catch the wave of this popular technology.

The Southeast Steuben County Library is holding an iTunes and Portable Music Workshop Mon. June 9 from 11 a.m. to noon. Participants can learn to use iTunes, Apple's virtual answer to the old record store, and more. Learn to download music, organize your collection, transfer music to portable devices and more.

Sign up is required by calling (607) 936-3713 ext. 502.
