3D PRINTER DEMOS, ONLINE LIBRARY WORKSHOPS OFFERED

Have you heard about 3D printers on the news? Well, you can see one in action at the library thanks to a grant from the Corning Rotary Club.

Join us from 6-7:30 p.m. on June 26, July 15 or Aug. 26 for a 3D printer demonstration, and while the printer works its magic we will also go over the library's online services.

We're so much more than paper books. Today's library offers digital streaming, downloadable books, music and more. We also offer online language lessons and research databases with full text articles.

By the end of the program participants will see a completed, three dimensional print.

For more details or to sign up, call (607) 936-3713 ext. 502.
