FIRST FRIDAY ART CLUB OFFERS TEENS AFTER SCHOOL FUN AT SSC LIBRARY

The First Friday art club is a popular program offered at the Southeast Steuben County Library to young adults ages ten and older. The program meets from 3:30-5 p.m. and sign up is required by calling (607)936-3713 ext. 503.

The fall schedule is as follows:

Sept. 5 | Create Silhouette Self Portraits. In addition to the art project, the group will have two special guests from the Young Entrepreneur's Academy (YEA!), which teaches young people about business through experience and mentorship. Corning's Chamber of Commerce President Denise Ackley and YEA! graduate Pranav Marala will speak to the group about the benefits of the YEA! program.

Oct. 5 | Scare yourself half to death while making Mad Monster Masks. Sculptures will be made from paper mache. Completed projects will remain on display in the library through October.

Nov. 7 | Try Colorful Crayon Creations. Use crayons, heat and your imagination to create wearable and wall art with crayons. Bring a T-shirt, plain bag or something wearable on which to print.

Dec. 5 | This is a special combined meeting of the First Friday Art Club and the Teen Cooking Club. The groups will hold a Make and Bake Gifts event just in time for the holidays. Make presents for your family and friends. We will have a special guest, Amy Ruza, from the Rockwell Museum Education Department who will help us create ceramic ornaments.
