#### DIGITAL LITERACY: IPAD WORKSHOPS OFFERED AT SSC LIBRARY

As part of its digital literacy services, the Southeast Steuben County Library will be offering iPad Workshops this fall.

Those interested in learning how to use an iPad will have two options. The first workshop will be held Tuesday Sept. 9 at 6 p.m. and the second workshop will be held Wednesday Oct. 1 at 11 a.m.

iPads will be available for attendees to try or participants can bring their own iPads.

In addition to these workshops, we have a dedicated news iPad that patrons can read in the library with subscriptions such as The New York Times preloaded onto it. Also, patrons can set up one-on-one appointments with digital literacy staff to try an iPad or other tablets that we have for this purpose. To set up an appointment or to sign up for either of these workshops, call (607)936-3713 ext. 502.
