#### SSC LIBRARY FESTIVAL A FUN SUCCESS

The Southeast Steuben County Library held a festival Thursday Sept. 18 from 5-8 p.m.

Community members enjoyed a Zumba class, classical harp music and local band Manny Q and Friends. There were also artists and illustrators creating art on site, including the library's T-shirt designer Laura Charles.

Visitors enjoyed games, crafts and light refreshments and had the opportunity to pay down their fines with canned foods and other nonperishables.

The library's technology department, including the 3D printer, was a highlight. Our digital literacy staff fielded questions from children and adults alike who were excited to see how a 3D printer actually prints.

Meanwhile, in the library smart room, patrons enjoyed a literary reading given by the Adult Creative Writers Group. Writers shared poems, stories and book excerpts.

Outside the building more artists of all ages created chalk art on the pavement.

The evening closed with Miss Sue's story time, which saw a crowd of at least 40 people. The total estimate for the open house was about 300.
