GRANTS WORKSHOPS SLATED AT SSC LIBRARY

The Southeast Steuben County Library will hold two workshops in December on how to find grants using the Foundation Directory Online Professional Database.

The first workshop, Wednesday Dec. 3 from 1-3 p.m., will cover finding grants for your nonprofit business.

The second, to be held on Dec. 17 from 1-3 p.m., will cover grants to individuals.

These workshops use the Foundation Directory Online Professional Database. This database is available for free to users inside the library building.

Those interested in attending should sign up by calling (607) 936-3713 ext. 502 or stop by the reference desk in the library. Space is limited.

The Southeast Steuben County Library is a Funding Information Network partner of the Foundations Center, formerly known as the Cooperating Collections Network.
