FOR IMMEDIATE RELEASE

VISIT THE SSC LIBRARY FOR INTERNATIONAL GAMES DAY

The Southeast Steuben County Library will join hundreds of libraries throughout the country on Saturday Nov. 15, for the seventh annual celebration of gaming in libraries – International Games Day @ your library. Like so many other libraries across the country and around the world, the SSC Library will offer special gaming programs and events for the whole family.

"Libraries are becoming family destinations, and are continuously offering new formats and innovative programs and services that educate, entertain and expand interaction with library patrons," said Cherie Chigama, Public Relations Director at the SSCL. "Gaming is another example of how libraries are becoming more than educational resources for the communities they serve. The SSC Library is a place where users of all ages are welcome to have fun together. And if that fun exercises their brains, enables them to meet new people in a safe and enjoyable environment, and celebrates our community's connection to each other and to libraries on every continent on Earth... well, that's just the nature of games!"

At the SSCL, all ages are welcome to play computer games, board games, card games and games on the library's gaming system. Attendees can also bring their own games. Invite friends and family and have a tournament. The program will run from 11 a.m.–3 p.m. Sign up is not required. For more details, call (607) 936-3713 ext. 503.

International Games Day @ your library is an international initiative supported by the American Library Association, the Australian Library and Information Association, and Nordic Game Day. For more information on International Games Day please visit <http://ilovelibraries.org/gaming>.
