FOR IMMEDIATE RELEASE

DO THE ROBOT: JOIN US FOR TEEN TECH FRIDAYS AT SSC LIBRARY

Are you into gadgets and gizmos, tablets and Dr. Who? If so, then you might like the Teen Tech Friday programs at the Southeast Steuben County Library.

This group meets the third Friday of each month from 3:30-5 p.m. to explore different kinds of technology.

In 2015, Teen Tech will offer a robotics series. Join us Jan. 16 for LEGO Robotics Part I. During this workshop students will learn the basic concepts and terminology for LEGO robots and then build a robot using LEGO Mindstorms.

LEGO Robotics Part II will be held Feb. 20. During this workshop students will learn how to program the robots they created in the first workshop.

Because the second workshop builds upon the first, attendance is required at both. Sign up by calling (607) 936-3713 ext. 503.
