#### FIRST FRIDAY ART CLUB PARTNERS WITH TEEN TECH FRIDAY FOR 3-PART SERIES

Teens and tweens ages ten and up are invited to participate in a two-part still life drawing workshop followed by a digital art workshop at the Southeast Steuben County Library.

Erica Flanagan, Young Adult Specialist at the SSC Library will lead the still life drawing workshops on February 6 and March 6 from 3:30-5 p.m. The focus of the workshops is to work on drawings skills to create a refined finished drawing.

These drawings will be used in the March 20 Teen Tech Friday workshop, also slated for 3:30-5 p.m. The finished drawings will be scanned into a computer and when participants arrive on March 20 they will learn digital techniques to expand the possibilities of the original drawing.

Because these classes build upon one another, those who sign up must be able to attend all three workshops. Sign up by calling (607) 936-3713 ext. 503.
