#### SSC LIBRARY RECEIVES GRANT FOR EREADERS FOR SHUT INS

The Southeast Steuben County Library is now offering preloaded ereaders as part of its outreach services for homebound individuals in its service area.

The library has made its collection available to shut ins over the years with two projects: books by wheels in partnership with Meals on Wheels and books by mail which utilizes the US Postal Service to send and receive library materials at no cost to the patron.

Now the library has been able to add ereaders to the list of items available to those who can't make it to the library thanks to outreach funds awarded by the Southern Tier Library System's Coordinated Outreach Services Advisory Council.

The library used these funds to purchase three Kindle Paperwhites. Each Kindle comes with five books loaded onto it. One nonfiction Kindle and two fiction Kindles are in circulation for shut in patrons.

For more details about this program or to sign up to get books, Kindles or other library materials delivered to your home, call Lori Reenan at (607) 936-3713 ext. 213.
