FOR IMMEDIATE RELEASE

TEEN TECH FRIDAYS OFFERS COOL TECH VARIETY AT SSCL

Teen Tech Fridays is a teen and tween group for those interested in all kinds of technology. TTF meets on the third Friday of each month from 3:30-5 p.m. Sign up is required by calling (607) 936-3713 ext. 503 or stop by the Children's Department in the library.

On April 17 attendees will meet at the Corning Museum of Glass for a field trip to the new Contemporary Art and Design wing of CMOG. The tour will include the new galleries, the Education Lab and a talk with the CMOG Chief Digital Officer about the technology used in the new space. Please arrive on time so that the group can maintain its schedule.

On May 15, join us for MaKey Makey! Create computer keys out of just about anything, from clay to bananas and use your keys to play games, type or even play music. What will you create? Make + Key = MaKey MaKey! Funding for this program was made possible by a grant from the Best Buy Foundation.

On June 19 dress comfortably for some geo-caching fun. Use GPS devices to find hidden "treasure."
