TEEN TECH FRIDAY MAKES SCHEDULE CHANGE AT SSC LIBRARY

Teen Tech Friday for teens ages ten and up has made a schedule change. Geocaching originally set for June 19 will be rescheduled at a later date.

In its place, the tech club will offer a comic strip maker workshop. Unmask a great story when you create your own comic strip. Develop characters and backgrounds. Attendees will be able to use Wacom tablets and the Adobe Creative Suite.

This program will be held June 19 from 3:30-5 p.m. Those interested in attending should sign up by calling (607) 936-3713 ext. 503 or stop by the Children's Department in the library.

Funding for this program is made possible by a grant from the Best Buy Foundation.
