FOR IMMEDIATE RELEASE

BOOST YOUR DIGITAL LITERACY, FITNESS THIS SUMMER AT THE SSCL

The Southeast Steuben County Library is offering fun and informative digital literacy programs during July and August. Attendees will have a chance to learn about technology and get some exercise. Exercise? Yes, read on!

10 a.m. Thursday July 23 | Freegal Music and Overdrive Workshop. Learn about how you can download and stream movies, music, books and more with our library apps.

10-11 a.m. Wednesdays Aug. 12, 19, 26 | Digital Literacy Walking Club. Learn about fitness trackers, mobile music players and apps for your health. Wear your walking shoes because after a brief tech presentation, attendees will strap on fitness trackers and take them for a test drive in Fallbrook Park, across the street from the library.

6-7:30 p.m. Tuesday Aug. 25 | 3D Printer Lab: Kitchen Accessories. Join us in our new makerspace Creation Station. Learn about 3D printers then customize your own kitchen accessories using the software program Thingiverse. Each attendee can choose two items to print from among wall hooks, salt and pepper shakers, napkin holders, bag clips or measuring spoons.

Sign up for a program by calling (607)936-3713 ext. 502 or email diglit@stls.org.
