AUTHOR VISIT - THE SEA IS WIDE: A MEMOIR OF CAREGIVING

What do you do when you are a young man starting his life and find that you are now also the caregiver for your grandfather with Alzheimer's?

The Sea is Wide: A Memoir of Caregiving is Rundy Purdy and his grandfather's story. The sea they cross is that of Alzheimer's. The book is a story of love, care and challenges of two everyday heroes.

Purdy is a local author who will visit the Southeast Steuben County Library to share his story and sign books at 10 a.m. on Tuesday July 7.

Copies of the book will be available for purchase.

Purdy has been featured in a New York Times article, Rundy and Grandpa by Jane Gross and has done a number of YouTube interviews.

The library is pleased and honored to have Purdy visit and share his story.

This talk is free and open to the public. Press are invited as well.
