SSC LIBRARY OFFERS MAKERSPACE, DIGITAL LITERACY AND CREATIVITY

The Southeast Steuben County Library invites the public to explore digital literacy and creativity in the library.

On Thursday Sept. 17 the library will hold an *iPad Basics* workshop from 10-11:30 a.m. Attendees will learn how to use the iPad and will also learn about useful and entertaining apps.

On Tuesday Sept. 22 *Color Yourself Happy* during an adults-only coloring program. You may have heard about the new adult coloring books in stores today. Well, they are fun and relaxing for adults. Stop in to our makerspace between 4 and 6 p.m. and try a couple of sheets.

In addition to the coloring program on Sept. 22, the makerspace, Creation Station, maintains regularly staffed hours on Tuesdays from 1-4 p.m. and Thursdays from 5-8 p.m. Makers can use the Cricut, sewing machines, binding machine and more to make beautiful things. Some machines require training first.

To sign up for a program call (607) 936-3713 ext. 502 or email digit@stls.org.
