GOOD NEWS: SUMMER READERS SURPASS GOALS, WIN HOCKEY TICKETS

This summer children's librarian Miss Sue challenged the library's summer readers to read 5,800 books during the six weeks of the Summer Reading Program. And they did it. Five hundred fifty-six people signed up for summer reading this year and they read a total of 5,902 books.

Two hundred eighteen children set personal reading goals as well and 66 of those children met or surpassed their goals and won a ticket to the Jackals season home opening game.

The game will be held on Friday Oct. 16. The children who attend will be invited out onto the ice rink to receive a certificate for their reading efforts.

The library would like to thank everyone who made the Summer Reading Program possible this year and those who supported it such as the Friends of the Library, Magic FM personalities Brian Stoll and Marla Skye, the Jackals hockey team and many others.
