

# A leaf out of our book

What's going on at the Southeast Steuben County Library Vol. 2 Issue 1

## 13-week creativity series set to begin

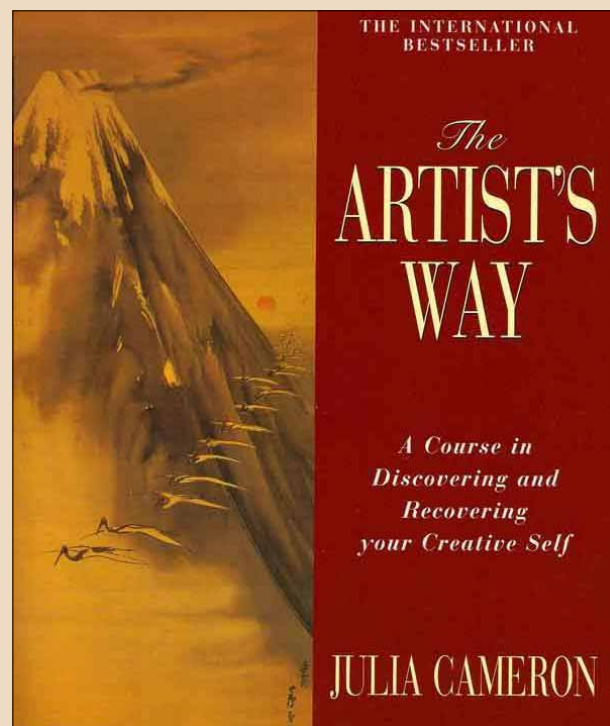

It's a new year and many of us have set resolutions or goals. You can accomplish whatever you want to achieve in life, and learning to approach life in a creative and flexible way can help.

The Southeast Steuben County Library will be holding a 13-week series called **Creativity Unleashed**, which will begin Jan. 9. The workshops will be held Thursdays from noon to 1 p.m. until April 3, 2014.

The series aims to encourage participants to think more creatively and flexibly when pursuing goals, problem solving and striving to attain dreams.

Each week's presentation will come from the book *The Artist's Way* by Julia Cameron. Participants do not need to buy the book but are encouraged to do so. Sharing and discussion will follow the presentations.
