

A leaf out of our book

What's going on at the Southeast Steuben County Library Vol. 2 Issue 3

Reminders and neat tidbits

We still have two fantastic weeks of Books Sandwiched In to go at the library. On Feb. 5 Kate Paterson will present *The Golem* and the *Jinni* by Helene Wecker and on Feb. 12 Elizabeth Whitehouse will discuss *The God Delusion* by Richard Dawkins and contrast it with *How to Know God Exists* by Ray Comfort.

Something else to remember, if you are a Facebook user, is that you can access your library account right from our Facebook page. Check your account, renew or put items on hold right from Facebook.

Finally, are you interested in learning a new language? Thanks to a grant from the American Library Association and its Office for Literacy and Outreach Services funded by the Dollar General Literacy Foundation we have a great software program called Mango Languages on our Website, ssclibrary.org. You can choose from 40 different languages including Pirate! Access the program from your home computer, smart phone or tablet and, of course, in the library.

If you have questions or want to find out more about our services, give us a call at (607)936-3713.
