Library sees budget cuts post vote

The library board has made budget cuts to offset the ongoing deficit the library is facing. These cuts were made in the wake of the failed December 2013 funding referendum.

To date, the cuts have affected staff numbers, programs and services including how many days per week the library is open. Beginning in March the library will be closed on Sundays. For complete details of all changes, click [here](#) or visit our homepage [ssclibrary.org](#). This will take you to our press release, budget presentation and Q&A.
