Library Scholarships Awarded

Two graduating high school seniors have been chosen as recipients of the Nancy Douth & Friends of the Southeast Steuben County Library Honorary Scholarship. Each received a \$500 award toward their post-secondary education based on their applications, essays and recommendations.

Samuel Bickham is a senior at East High and will attend Rensselaer Polytechnic Institute where he will major in Mechanical Engineering.

Karen Swan is a senior at West High and is planning to attend Corning Community College to major in the Humanities and Social Sciences Program, and then go on to a SUNY College or University.

This is the fourth year for this annual scholarship, which was created by the Trustees of the Library, and is made possible by a very generous bequest from an anonymous donor. The Trustees have named the scholarship after the Friends organization for its many years of work in support of the library and its mission and Nancy Douth in particular for her dedicated service.
