#### CELEBRATE TEEN TECH WEEK AT THE LIBRARY

Get in touch with your inner geek and celebrate Teen Tech Week at the Southeast Steuben County Library on March 6 and 7.

Join us Tuesday March 6 at 4:30 p.m. for a digital Comic Book Maker workshop. The library will supply iPads to use or you may bring your own. You'll be using an application on the iPad to create a comic book. This workshop will be presented by local artist, Emily Swan.

Come in Wednesday March 7 at 3:30 p.m. to learn how to create a photo collage for a scrapbook page or poster. The library will supply MacBooks to use but participants are welcome to bring their own MacBooks if they have them. Participants should also bring a USB flash drive with the images they want to use in their personal collages and so that they'll be able to save the completed project.

Both workshops are for kids 10 years of age and older. Sign up is required by calling, (607) 936-3713 ext. 503.
